The PACS Forum requires you to be registered in order to post and to view member profiles. Viewing a profile allows you to see usernames and to email other members (which would in turn let the member see your email address). Forum posts and member profiles are not indexed by Google or other search engines. Your username will be set as your "firstname_lastname". A random, strong password will automatically be generated and emailed to you by the system. There is no additional cost to participate in the Forum. Please initial one of these choices:

_____ I want to participate in the PACS Forum

_____ I do not want to participate in the PACS Forum

Annual Membership Fee: \$ 10.00

Cash Check

Please make checks payable to **Philadelphia Area Computer Society**.
Credit card payments may be made online at PACSnet.org.

PACS is a volunteer-run, non-profit 501(c)(3) corporation.
